

Proudly supporting...

'The big BLUE ride out'

An event for everyone, young or old(er)  In aid of **mind** Mid Cheshire

Classic, Vintage, Race and Touring bikes invited, - with support from :-Mental Health Bikers, Blood Bikers, Doc Bikers, etc.

This fundraising event for the whole family is completely **FREE** to enter and attend. However, we ask that you partake in the various fundraising activities available. At the end of your day, we also ask you to make a donation that is proportionate to what you feel the day was worth to you personally. Whatever you donate is **helping to support those with poor mental health.**

Riders will complete a staggered 2 hour marshalled ride out from **J&S Oakmere Superstore**. Meanwhile, non riding family members can meet at the **Northwich Rugby Club** to enjoy family entertainment and fun while they wait to be joined later by their riders.

In order to control the numbers, all riders must pre-register to guarantee first option to one of the 500 limited places available.

We will then will come back to you once the places are filled, in order for you to confirm if you still wish to attend. At which point there is a rider's registration fee of £2 each.

A **J&S** Goody Bag will be given to the first 200 pre-registered riders who check in on the day.
